

## Getting the Word Out: Using technology to publish your library news and views

A UELMA Presentation on March 2, 2006 by Brian Ferguson  
Library Media Teacher at South Davis Junior High and member of the UEA Board of Directors

### Example Library Web sites

<http://www.davis.k12.ut.us/slmta/curric/index.htm> Davis District Library Media page

<http://www.sdavjr.davis.k12.ut.us/~brian/pn/slmta/html/> Davis Secondary Librarians

[http://www.davis.k12.ut.us/district/curric/elem\\_media/news.html](http://www.davis.k12.ut.us/district/curric/elem_media/news.html) Davis Elementary Librarians

<http://www.sdavjr.davis.k12.ut.us/~brian/pn/library/html/> South Davis Jr. High Library

<http://www.davis.k12.ut.us/webs/sthompson/> Bountiful Elementary School Library

### Web Authoring Software

<http://www.nvu.com/> Nvu: "The Complete Web Authoring System" (free)

### Ebooks

<http://www.bibliotech.us/pdfs/InfoLit.pdf> Information Literacy: A Primer

[http://www.bibliotech.us/pdfs/Library\\_Welcome.pdf](http://www.bibliotech.us/pdfs/Library_Welcome.pdf) Library Welcome and Information

### Blogging

<http://www.blogger.com> Blogger: "Create your free Blog now"

### Blog Aggregators

<http://www.bloglines.com/> Bloglines

<http://www.google.com/reader> Google Reader

### Podcasting

<http://audacity.sourceforge.net/> Audacity: "Free Audio Editor and Recorder"

### Podcatchers

<http://juicereceiver.sourceforge.net/> Juice: "The Cross-Platform Podcast receiver"

<http://www.dopplerradio.net/> Doppler: "Redefining Podcasting"

Which of these technologies do you want to try next? Why not try the one that seems the most useful for your work situation (or perhaps the one that sounds the most fun!)
