List Additional co-presenters as applicable: Adriane Juarez, Vern Waters, Nan Ault

Title of Presentation: Making the Connection: School and Public Libraries

School and Public Library professionals are working towards the same goal: we strive to promote, develop and enhance literacy skills of the young people in our communities. Unfortunately, conversations between both groups are rare and collaborative efforts even rarer. Join in on a lively discussion of the possibilities when schools and public libraries make the connection!

.

Presentation requirements: (Please provide your own equipment and cords if at all possible. Contact me directly for additional questions and concerns or if you will need more than 10 minutes to set up and break down.)

None
