

Student Library Advisory Board – SLAB

Mission: To allow SJMS readers a place to talk about books and a chance to recommend books for our school library.

1. Anyone can come to a monthly SLAB meeting as long as they have completed a parent signature form.
2. Written book reviews are not required unless you want to earn free books and other thank you items.
3. Mrs. M's review copies – If you complete a thoughtful review of an ARC, than you have the option of keeping the book for yourself and entering the drawing.
4. Hard Covers and public library books – If you complete a thoughtful review of one of these types of books, then you may choose a Mrs. M giveaway book to keep and enter your name in the drawing.
5. Drawings will be done on a monthly basis for gift cards, candy and any other stuff Mrs. M can find for prizes.
6. All SLAB attendees are invited to bring new books to talk about and share with the other members.
7. Always bring a public library book to be approved by Mrs. M before you start reading, as she may have read it already! You can also check her website at: http://www.sjms.jordan.k12.ut.us/MediaCenter/cdm_daily.htm
