

100% Club

Purpose: To encourage students to read and do their best on Accelerated Reader tests. To demonstrate support for English teachers reading assignments.

Any student who gets 100% on an Accelerated Reader Test automatically becomes a member of the 100% club and gets a piece of candy.

Post Club members names in the library.

Club meets officially 2 times a year, during lunch at the end of each semester for an Ice Cream Social.

All club members are invited.

For every 100% a student has earned during the semester he/she gets one scoop of ice cream. The most I have served is 8 scoops. That means 8 book that student read with 100% accuracy on the A.R. Test.
