

LIBRARY TREASURE HUNT

The first group to answer ALL the questions correctly wins the hidden treasure.

This is an exercise to find out what you remember of where to find information in the library. You may need to speak to a person or go to different places in the library to find some of the answers.

Directions:

- * Separate the class into 6 different groups.
- * Hand out the Treasure Hunt worksheets to each group.
- Remind the students that the information they will be searching for is located somewhere in the library.
- * All members of the group are expected to participate.
- * Give the students the allotted time frame you expect the activity to be completed, then begin.
